CONTINUING EDUCATION COMMITTEE

Dr. Alyssa Levin, General Chair

Dr. Bryan Hicks, Speaker Program Co-Chair

Dr. Katie King, Speaker Program Co-Chair

Dr. Bill Dischinger

Dr. John Griffiths

Dr. Andrew Harner

Dr. Lili Horton

Dr. Hillary Lathrop

Dr. Dawn Pruzansky

Dr. John Trotter, PCSO President

Ms. Callie Castro, PCSO Executive Director

Ms. Chelsea Jackson, PCSO Director of Meetings

Ms. Melanie Wassenberg, PCSO Director of Administration

Welcome to the
Western Orthodontic Conference
(WOCON) Annual Session, a joint meeting
of the Pacific Coast Society of Orthodontists
(PCSO) and Rocky Mountain Society of

Orthodontists (RMSO), in the Hawaiian paradise. We know you will find this year's WOCON Annual Session highly educational, entertaining, and enjoyable for everyone!

We are excited for all that the Hilton Hawaiian Village and Honolulu have to offer us as the backdrop for the best orthodontic meeting in the West. This year's WOCON Annual Session brings you an all-star lineup of speakers on a variety of relevant topics and exceptional social events. Our program and venue promise to provide an unforgettable experience.

We want to thank the Continuing Education (CE) Committee, led by Dr. Alyssa Levin, for organizing this exceptional meeting. We also extend special thanks to Dr. Bryan Hicks and Dr. Katie King for assembling this extraordinary speaker program. As you will see, Drs. Levin, Hicks, and King, and the team have produced one of the finest orthodontic conferences in the country.

This meeting is made possible by the generous contributions of our sponsors. Their support allows us to put on a program filled with high-quality lectures. They are recognized in our program and signage throughout the building. Please take a moment to visit these vendors, as they offer many benefits to your career and practice. It is a true partnership in innovation and excellence as they have offered to collaborate with us for WOCON. We are grateful for their involvement.

We are confident that you will enjoy the lectures we have for you this year and hope that you will also take part in and appreciate:

- Welcome Reception, exhibit hall, and special offers from vendors
- Special events for women orthodontists, new & younger members, select residency programs, and our state/provincial components

- · Closing Celebration Luau
- Mobile meeting app
- Scientific Posterboard competition
- 10% off spa services booked during the conference
- And, of course, all the fun things to enjoy while in Honolulu and at the Hilton, including resort fee discounts (see information provided at check-in for all the details):
 - 20% discount on the Elite Beach Package offered at Waikiki Beach Activities;
 - 10% off at Waikiki Beach Activities for beach chairs & umbrellas, kayaks, pedal boats, paddle boards, & aqua cycles;
 - 20% off Adventure Sail on the Hilton's Spirit of Aloha Catamaran

We appreciate you taking time from your busy schedules to join us and believe you will find it time well spent. Now, please enjoy the 2025 WOCON with your colleagues, and spread those smiles!

Sincerely,

Dr. John Trotter PCSO President

Dr. John DuRussel RMSO President

Award Recipients

TO SEE PAST PCSO AWARD WINNERS, SCAN THE QR CODE.

2025 ARTHUR A. DUGONI LIFETIME ACHIEVEMENT AWARD

Dr. Jae Hyun Park

This award recognizes a PCSO member with at least 20 years in the practice of orthodontics who has demonstrated exceptional personal effort to advance the art and science of the orthodontic specialty. The individual must exemplify the highest ethical standards in all aspects of life and the practice of orthodontics and live his or her professional life committed to the pursuit of excellence.

2025 PCSO AWARD OF MERIT

Dr. Bryan Hicks

This award was established in 1987 to recognize and honor a PCSO member who

is an orthodontist or paraprofessional within the geographic boundaries of the PCSO and who has made a significant contribution to the orthodontic specialty over a number of years.

2025 PCSO ANNUAL SESSION HONOREE

Dr. Kelly Giannetti

This award is a recognition given to a PCSO member who has demonstrated outstanding

leadership and professional qualities and who has given unselfishly of his or her time and talent to promote the association and the orthodontic specialty. The award may be given each year, if chosen, or as determined by the PCSO Board of Directors through their nominating and awards committee.

2025 PCSO RISING STARS AWARD

Dr. Jose Castillo

This award is given to a PCSO member who has recently become more involved in leadership in

the orthodontic profession. This award is given to an individual who has demonstrated strong and improving leadership qualities and generously given their time and ability to promote the association and the orthodontic profession. This award may be given annually and will highlight the individuals' future leadership potential.

2025 LEGENDS OF THE PCSO AWARD

Dr. Larry Andrews

This award was created to honor and showcase deceased PCSO members who have made

significant contributions to the field of orthodontics and our association.

RMSO OUTSTANDING MERIT AWARD

Dr. Chad Lambourne

Established in October 2021 to honor an RMSO member who has gone above and beyond.

The award is given to an individual who has demonstrated significant contributions to the mission of the RMSO through service, generously given their time and ability to promote the association and the orthodontic profession. This award may be given annually at the RMSO Annual Session and will highlight the individual's dedication to the RMSO.

STAY ACTIVE AND ENGAGED! PRIZES WILL BE AWARDED.

Support their confidence through *every stage*

The Invisalign® portfolio for growing patients empowers orthodontists with a suite of flexible tools to treat a wide range of malocclusions, while supporting their patients' confidence at every stage.

CONTINUING EDUCATION HOURS

Pacific Coast Society of Orthodontists (PCSO) is an ADA CERP recognized provider approved by American Association of Orthodontists.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

ADA C·E·R·P® | Continuing Education Recognition Program

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

PCSO DESIGNATES THIS ACTIVITY FOR UP TO 13 CONTINUING EDUCATION CREDITS.

NEW THIS YEAR

Eligible individuals registered* to attend in-person are required to complete short session evaluations to earn continuing education (CE) credits.

Eligible registrants complete the evaluations through the mobile app. Navigate to the home page, scroll down, click on the evaluation button. This will take you directly to the tasks page, allowing you to complete either the Session/Speaker Evaluation or Overall Conference Evaluation. After submission, you will be returned to the tasks page. Click on the CE Certificate task, and you will be directed to your actual CE Certificate, which you can save as a PDF, email, or print.

Note: the only way to add credits from WOCON Annual Session to your AAO CE transcript are by completing the session evaluations referenced above. Once completed, WOCON will provide AAO with a list of individuals who have submitted all required evaluations, and AAO will upload the corresponding CE credits to your transcript.

WOCON registration desk.

*Guest and exhibitor registrants are ineligible

Scientific Posterboard Displays

PCSO posterboards will be displayed in Sea Pearl I & II at the following times.

- Thursday, October 16 from 9:00 am 3:15 pm

11:30am - 12:30pm	Orthodontic Educator Lunch	Join your educator colleagues for discussion about the current happenings in orthodontic education and lunch. Pre-registration required; open to faculty of orthodontic residency programs.	Nautilus
	FULLTEAM	The Cure for Stupidity: Using Brain Science to Explain	C. Alli MV
12:30pm - 2:15pm	Mr. Eric M. Bailey [†]	Irrational Behavior	Coral III, IV, V

LECTURE Schedule

THURSDAY, OCTOBER 16

FULL TEAM

7:45am - 9:00am Coral III, IV, V

Dr. Cheryl Gansecki

Evolution of the Hawaiian Islands and Recent Eruptions of Kīlauea Volcano*

OBJECTIVES:

- 1. Describe the origins of the Hawaiian Islands.
- 2. Identify the stages of development of Hawaiian volcanoes.
- 3. Experience video footage of recent eruptions of Kīlauea volcano.

CLINICAL

9:30am - 10:30am Coral V

Dr. Rick O'Neil[†]

Clarity™ Aligners with GRIP: The Unmatched Duo in Aligner Therapy Sponsored by: Solventum

OBJECTIVES:

- Discover how to optimize your workflow efficiency with pre-loaded, 3D-printed, fully cured composite attachments customized for each patient's unique anatomy.
- Discover ways to increase the consistency and predictability of your aligner treatment attachment using the combination of Clarity™ Aligners and Clarity™ Precision Grip Attachments.
- Master treatment planning, attachment placement, refinements and case management.

CE provided by: Solventum

SCIENTIE

9:30am - 11:00am Coral III

Dr. Tung Nguyen

The Latest Innovations in Dentofacial Orthopedics

OBJECTIVES:

- Evaluate a new orthopedic method to correct Class II skeletal malocclusion using Bone Anchored Herbst.
- 2. Recognize the limits of tooth movements and periodontal side effects of exceeding these limits.
- 3. Propose an updated protocol for autotransplantation using 3D technology.
- Outline new applications for autotransplantation, including replacement of missing or traumatized teeth, management of impacted canines, and options for craniofacial clefts.

BEYOND ORTHODONTICS

9:45am – 10:45am Coral IV

Dr. Zhanna Konovalenko[†] The Time Freedom Method

OBJECTIVES

- Master the three-step productivity system that transforms overwhelming to-do lists into a clear and actionable schedule.
- 2. Break free from time-wasting behaviors by recognizing and eliminating habits that steal your precious hours.
- 3. Design a schedule that finally puts you first while balancing family and work, so you can thrive in all areas of life without burning out.
- 4. Boost your daily productivity with proven techniques helping you accomplish more in less time while maintaining energy and focus.

CLINICAL

10:45am – 11:45am Coral V

Dr. Willy Dayan[†]

Dr. Willy Dayan's Guide to Effective Treatment Protocols with Angel Aligner*

Sponsored by: Angel Aligner

OBJECTIVES

- Distinguish the starting priorities for different malocclusions, so that cases treat faster and more effectively from the start.
- Evaluate and assess how to customize the aligners to support corrections in different planes of space depending on the patient's individual needs.
- 3. Perform modifications to modify aligners using the robust lortho Treatment Planning Software from Angel Aligner.

PRACTICE SYSTEMS

11:00am - 12:00pm Coral IV

Mr. Jeff Behan[†]

Secrets to Creating Pro-Level DIY Marketing Content

OBJECTIVES:

- Discover Your Practice's Unique Voice: Learn how to identify and showcase the authentic style and personality of your practice in marketing content that resonates with patients and builds trust.
- 2. Master Pro-Level Content Creation Techniques: Gain insider tips on lighting, filming, and interviewing to produce professional-quality videos and online content using simple tools like your smartphone.
- Engage in Hands-On Video Creation:
 Participate in an interactive exercise to create
 compelling, personality-driven content that
 promotes your practice without relying on
 self-promotion from the doctor.

SCIENTIFI

11:15am - 12:15pm Coral III

Dr. Jennifer Buchanan

Temporomandibular Disorders and Menopause

OBJECTIVES:

- Recognize potential problems their menopausal patients might encounter in the course of orthodontic treatment.
- 2. Identify the changes with menopause that affect joint health and pain sensitivity.
- 3. Manage treatment expectations for their patients in menopause.

^{*}Does not qualify for CE

[†]Denotes speaker with financial and/or beneficial interest in any products or services related to their presentation

CLINICAL

12:00pm – 1:00pm South Pacific I

ClearCorrect Lunch 'n Learn Dr. Yan Kalika[†]

The Art of Strategy: Driving Practice Growth Through Orthodontic Innovation*

Sponsored by: ClearCorrect

OBJECTIVES:

- 1. Apply strategic thinking to orthodontic practice growth.
- 2. Leverage digital innovations to enhance efficiency and outcomes.
- 3. Optimize workflows and scale business with confidence.

CLINICAL

1:00pm – 2:00pm Coral V

Dr. Sebastian Baumgaertel[†]

My Experience with MARPE in Private Practice Sponsored by: Dentaurum

OBJECTIVES:

- 1. Identify cases that are appropriate for MARPE treatment.
- Distinguish between different MARPE appliances.
- 3. Apply various MARPE appliances.
- 4. Evaluate the risks and benefits of MARPE.

CE provided by: Dentaurum

PRACTICE SYSTEMS

1:00pm – 2:00pm Coral IV

Dr. Jessica Backinger

Using Personality Profiling to Build an Amazing Team

OBJECTIVES:

- 1. Define the 4 main personality types.
- 2. Outline the steps to create a DiSC Personality Profile culture.
- 3. Explain how personality profiling can be used in the hiring process.
- 4. Create a plan on how to improve their team building.

SCIENTIFIC

1:15pm – 2:15pm Coral III

Dr. Sid Vora

Orthodontics and the Pediatric Airway: Evidence-Based Insights

OBJECTIVES:

- Define the aetiology, pathophysiology, and clinical implications of pediatric obstructive sleep apnea (OSA) relevant to orthodontic practice.
- 2. Analyze and critically evaluate current evidence supporting interdisciplinary treatment options for pediatric sleep apnea.
- Critically assess the literature that demonstrates that orthodontic expansion is not a universally accepted treatment modality for pediatric obstructive sleep apnea.
- Investigate and discuss additional orthodontic considerations related to pediatric airway management.

FRIDAY, OCTOBER 17

PRACTICE SYSTEM

7:30am – 8:20am Coral IV

Dr. Parul Taneja

The Times They Are A-Changin': Exploring Intersections Between Gen Z and Leadership in a Multigenerational Workplace

OBJECTIVES:

- 1. Understanding generational differences and their impact on the workforce and workplace.
- 2. Exploring the disconnect between Gen Z and current leadership.
- Resolving the disconnect between Gen Z and leadership by optimizing leadership methods and enforcing workplace changes to enhance retention of Gen Z employees in practices.
- 4. Balancing workplace agility and staff retention.

SCIENTIFIC

8:15am - 9:45am Coral III

Dr. Onur Kadioglu

2025 President's Lecture | Beyond the Basics: Efficient and Evidence Based Use of 3D Imaging in Orthodontic Practice

OBJECTIVES:

- Identify various applications of 3D imaging in daily orthodontic practice, including diagnosis, treatment planning, and assessment of patient outcomes.
- 2. Assess the role of 3D imaging in analyzing skeletal and dental structures.
- 3. Discuss how evidence-based applications can be utilized for improved treatment outcomes and efficiency in orthodontic practice.
- 4. Demonstrate practical strategies for integrating 3D imaging technologies into daily orthodontic workflows.

CLINICAL

8:15am – 9:15am Coral V

Dr. Brandon Martin[†]

From Chaos to Kaizen – Use AI to Supercharge your Bracket Placement*

Sponsored by: DIBS AI

OBJECTIVES:

- Demonstrate efficient and effective case completion by leveraging digital IDB systems for precise bracket placement.
- Modify the bracket base to create fully custom setups using your preferred stock brackets with real-time predictive outcomes.
- Integrate fixed appliance digital workflows into your office to improve the patient experience, empower your staff, enhance treatment outcomes, and improve overall efficiency.

*Does not qualify for CE

†Denotes speaker with financial and/or beneficial interest in any products or services related to their presentation

BEYOND ORTHODONTICS

8:30am – 9:15am Coral IV

Ms. Alyssa Chang[†]

Find Relief Fast: A Neuroscience Approach to Easing Pain, Stress, and Anxiety–Even if You Feel Stuck

OBJECTIVES:

- Explain the neuroscience of pain, including how the brain and nervous system contribute to chronic pain cycles and why traditional approaches may fail to provide lasting relief.
- 2. Self-assess personal threat signals within the nervous system to better understand patterns contributing to pain and discomfort.
- Experience practical brain-based techniques to calm the nervous system, build resilience, and create sustainable relief from pain and emotional overwhelm.

ORTHO IDOL

9:45am – 10:15am Coral V

Dr. David Pham

Maximizing Profit: Setting Up a 3D Ortho Lab & DIY Retainers

OBJECTIVES:

- Recognize how establishing an in-house 3D ortho lab can reduce lab fees and increase practice profitability.
- 2. Identify the essential hardware, software, equipment, and materials required to set up a functional 3D ortho lab.
- Describe a streamlined, cost-effective workflow for producing high-quality DIY retainers.

10:15am – 10:45am Coral V

Dr. Emily Letran[†]
How To Be An A** Kicker In Your Own Economy
OBJECTIVES:

- 1. Define the touchpoints in customer service.
- 2. Analyze marketing metrics.
- 3. Assess and utilize multiple platforms to create influence and positioning.

10:45am – 11:15am Coral V

Dr. Sheetal Patil

Expanding Your Toolbox: A Journey into Maxillary Skeletal Expansion for Everyday Orthodontic Practice

OBJECTIVES:

- 1. Identify appropriate patient cases for skeletal expansion.
- Describe a systematic, step-by-step approach to integrating skeletal expansion into clinical workflows.
- Explain the roles of both orthodontists and orthodontic team members in skeletal expansion treatment, including patient education and appliance management.

SCIENTIFIC

10:00am - 11:00am Coral III

Dr. Samson Ng
Lumps and Bumps in the Mouth 2.0
OBJECTIVES:

- Consolidate the clinical technique of performing an extra-oral and intra-oral soft tissue examination.
- Diagnose and manage non-odontogenic oral lesions commonly identified in a community setting.
- 3. Recognize oral lesions/entities that should be 'red flagged', and discuss the proper initial management.
- 4. Improve your record keeping for both patient care and integrity of your work, should it come into question.

SCIENTIFIC

12:00pm – 1:00pm Coral III

Dr. Jay Lee

Demystifying Two-Jaw Orthognathic Surgery Sequencing: What the Orthodontist Needs to Know for Quintessential Communication and Treatment Planning with Their Surgeon

OBJECTIVES:

- Describe the salient steps involved in 3-D virtual planning of maxilla-first vs. mandible-first surgery.
- 2. Outline the advantages and disadvantages of maxilla-first vs. mandible-first surgery.
- 3. Explain the potential post-operative adverse consequences of the chosen surgical sequencing.

CLINICAL

12:15pm – 1:15pm Coral V

Dr. Jeremy Manuele[†]

2024 Ortho Idol Winner | MARPE Mayhem to Mastery: Lessons Learned and the Road Ahead

BJECTIVES:

- Explore the clinical and aesthetic indications for MARPE and its role in modern orthodontics.
- Identify common complications associated with MARPE and learn practical strategies to prevent and manage them.
- Explore advanced applications of MARPE, including vertical control, nonextraction treatments, and airway health improvements.
- 4. Gain insights into the future of MARPE, including advancements in surgical and non-surgical techniques.

PRACTICE SYSTEMS

12:15pm – 1:15pm Coral IV

Ms. Nicole McFarlane

Change Your View, Change Your Results: The Power of Shifting Perspectives

OR IECTIVES:

- 1. Explore how their own perspective can help or hurt the way the practice runs.
- 2. Discover how to be open-minded and change your practice without causing turmoil.
- 3. Create a more positive day, each day, by changing their perspective.

SCIENTIFI

1:15pm – 2:30pm Coral III

Dr. Stacey Quo

Fact or Fiction? Sleep Apnea in the Orthodontic Office: Taking a Deeper Dive at the Evidence

OBJECTIVES:

- Answer this question: Is AHI a valid metric of disease?
- Demonstrate if orthodontic mechanotherapy pre-disposes, prevents or even impacts an individual's risk to develop sleep disordered breathing?
- Determine if facial morphology is predictive of sleep disordered breathing.
- 4. Explore an important but often neglected goal in orthodontics: improving nasal ventilation.

1:30pm – 2:30pm Coral IV

Avoiding Brown Bananas | Converting New Patients through Connections and Intentions

OBJECTIVES:

- Build powerful connections with new patients, creating an environment of trust and comfort that ultimately results in treatment acceptance.
- Utilize the skills and strategies to confidently ask for the sale, communicate the value of treatment, and guide new patients toward saying "yes" to their future smile with clarity and professionalism.
- Turn "no's" and "not nows" into "yes's" with timely follow-up, ensuring opportunities don't spoil like bananas turning brown.

PRACTICE SYSTEMS

1:30pm – 2:30pm Coral V

Ms. Shannon Patterson[†]

Industry in Transition: Redefining a Consumer-Centered Model in 2026*

Sponsored by: Align Technology

OBJECTIVES:

- Identify and analyze current industry benchmarks, trends, and insights and understand practice modality changes.
- Recognize consumer sentiment and spending behaviors to better align orthodontic treatment offerings based on patient preferences and expectations.
- 3. Evaluate potential growth opportunities.

SATURDAY, OCTOBER 18

PRACTICE SYSTEM

7:30am – 8:30am Coral V

Dr. Dan Bills[†]

Orthodontic Efficiency Pearls for the Entire Team: Work Smarter. Live Better.

Sponsored by: DentalMonitoring

OBJECTIVES:

- 1. Master the fundamental formula to evaluating the efficiency of your current clinical systems.
- Discuss proven, technology-based clinical strategies to improve clinical efficiency while also improving clinical excellence.
- Review the power of clearly defined treatment plans to ensure efficiencies are followed by all team members.

CE provided by: DentalMonitoring

CLINICAL

7:30am – 8:30am Coral IV

Dr. Phoebe Tsang

The Perfect Alignment - Where Orthodontics Meets Pediatric Dentistry

OBJECTIVES:

- Identify clinical situations where early orthodontic input is critical in guiding pediatric dental treatment.
- Explore evidence-based approaches for managing some of the complex pediatric dental cases, including the timing and coordination of interventions to optimize oral health outcomes.
- Develop strategies for effective communication and collaboration between pediatric dentists and orthodontists to create comprehensive, patient-centered care plans.

SCIENTIFIC

7:45am – 8:45am Coral III

Dr. Fiona Firth[†]

Molar Hypomineralization and Chalky Teeth: A Guided Tour from Clinical Challenges to Science-Driven Prevention and Social Good

OBJECTIVES:

- 1. Explain D3 terminology chalky teeth, D3s, MH, science translation to social good.
- 2. Articulate the 3-level 'MH-Chalky Teeth Problem' and implications for orthodontics.
- 3. Correlate today's science-driven translational attack with orthodontic opportunities.

SATURDAY, OCTOBER 18 continued

8:45am - 9:45am Coral IV

CLINICAL

Dr. Sean Holliday†

Mastering Complex Biomechanics in Clear Aligner Therapy

OBJECTIVES:

- Apply fundamental biomechanical principles to optimize force systems in clear aligner therapy for complex tooth movements.
- 2. Evaluate and implement appropriate attachment designs and placement strategies based on specific tooth movement requirements.
- Develop effective staging sequences that maximize treatment efficiency while maintaining optimal force levels.
- Identify and manage potential biomechanical challenges in complex cases, including extraction space closure and anterior torque control.

PRACTICE SYSTEMS

8:45am – 9:45am Coral V

Mr. Oliver Gellest

Data-Driven Orthodontics: Managing Growth, Cash Flow and Risk for Long-Term Success* Sponsored by: OrthoFi

OBJECTIVES:

- 1. Recognize how patient demographics are changing and requiring new strategies.
- Discover how Open Choice and a more expansive look at average fees can help you find untapped potential for revenue growth.
- 3. Explore how Intelligent Flexibility is essential to help the team manage cash flow effectively and reduce financial risk.
- Identify which leading and lagging practice metrics drive scalable performance and profitability.
- Master the full-contact team approach to juicing conversion rates and driving more same-day starts.

SCIENTIFIC

9:00am – 10:00am Coral III

Dr. Chooryung Judi ChungNon-Surgical Dentofacial Orthopedics for Adults **OBJECTIVES**:

- Identify indications to induce skeletal expansion, active clockwise or counterclockwise rotation of the mandible to improve adult skeletal malocclusion.
- Recognize differences in orthodontic management and biomechanical benefits of TADs induced dentofacial orthopedic protocols.
- 3. Critically appraise the benefits of adult dentofacial orthopedics and its esthetic outcome.

PRACTICE SYSTEMS

10:15am – 11:15am Coral V

Mr. Joe DiPenta[†]

Mr. Kris Snyder[†]

Mr. Kris Hamilton[†]

Mr. Rick VanDermyden[†]

Less Chair Time, More Growth: The EOS Framework for a Thriving Ortho Practice*

Sponsored by: EOS

OBJECTIVES:

- 1. Gain Clarity & Alignment: Learn how to get everyone on the same page with a shared vision.
- 2. Increase Efficiency & Accountability: Reduce bottlenecks and empower every team member.
- 3. Apply EOS Principles in Your Practice: See realworld examples of how orthodontic teams use EOS to grow and succeed.

CLINICAL

10:15am – 11:30am Coral IV

Dr. Rebecca Bockow[†]

Ms. Tricia Rogers[†]

Closing the Open Bite: The Synergy of Orthodontics and Myofunctional Therapy

OBJECTIVES:

- Understand the interplay between orofacial structure and function in the development and treatment of anterior open bites.
- Recognize the importance of interdisciplinary collaboration between orthodontists and myofunctional therapists in achieving optimal treatment outcomes.
- Identify key strategies for integrating orthodontic and myofunctional approaches in the management of open bites.

New & Younger Members

Don't Miss The

NYM MEET-UP & MAI TAIS

Friday from 2:45 - 3:45pm on the Village Green at the Hilton Hawaiian Village.

(space is limited; pre-registration required)

Dr. Tae-Woo Kim

Biomechanics of Treating the Open Bite Using TADs

OBJECTIVES:

- Determine how to place the mid-palatal TPA, how to design the intrusion TPA, and how to modify it for the treatment of open bites using TADs.
- 2. Recognize the reliable methods to avoid the troubles in treating open bites using TADs.
- 3. Comprehend the clinical methods to overcome the problems during the treatment of open bites using TADs.

FULL TEAM

12:30pm – 2:15pm Coral III, IV, V

Mr. Eric M. Bailey[†]

The Cure for Stupidity: Using Brain Science to Explain Irrational Behavior

OBJECTIVES:

- Explore the difference between perception and reality, and the impact they have on communication.
- Overcome the natural barriers to understanding. When you say something clearly, they hear something completely different.
- 3. Recognize the motivations behind the seemingly 'irrational' behavior of others.
- 4. Improve even the most difficult personal and professional relationships.

SCIENTIFIC POSTERBOARD DISPLAYS

SEA PEARL I & II

AVAILABLE FOR VIEWING:

THURSDAY | 9:00am - 3:15pm FRIDAY | 7:30am - 1:30pm SATURDAY | 8:30am - 12:30pm

Presenters will be available to discuss their findings on Saturday from 10:00 – 10:30am

THANK YOU TO OUR JUDGES:

Dr. Burcu Bayirli | University of Washington

Dr. Christine Hong | University of California, San Francisco

Dr. Glenn Jou | University of Southern California

Dr. Glen Roberson, Chair | Roseman University

For more Scientific Posterboard Display details, see page 7.

Winners are announced during the PCSO General Assembly on Friday from 7:45 – 8:15 am.

Your generosity helps provide healthy and beautiful smiles to children in our local communities.

PCSO/RMSO DISCLAIMER, INDEMNITY, & PHOTOGRAPHY POLICY

In consideration for my being allowed to participate in the 2025 Western Orthodontic Conference (WOCON) Annual Session, a joint meeting of the PCSO & RMSO, the PCSO/RMSO and any authorized agents are hereby released from any damages caused or incurred in connection with these activities. I grant permission to all of the foregoing to use any photographs, motion pictures, or any other record of my/our participation in this event.

By registering for and attending the 2025 WOCON Annual Session in Honolulu, HI, I agree to abide by and engage in any necessary health-and-safety measures necessitated at the time of the event. I further agree to forgo attending the in-person event should I become ill or have been recently exposed to COVID-19.

Additionally, by registering for and attending the 2025 WOCON Annual Session, I further acknowledge and understand that my voluntary attendance at this event may cause me to be exposed to another individual who is carrying or otherwise contagious with respect to COVID-19. I acknowledge and agree that the PCSO/RMSO is not legally liable or responsible should I be exposed to an individual carrying or contagious with COVID-19 while at the 2025 WOCON Annual Session, and I further agree and hereby release the PCSO/RMSO from any and all legal liability, responsibility, or other claim for damages should I be exposed to and/or contract COVID-19 while attending the 2025 WOCON Annual Session.
